Southern Stars “Come Alive”

Dear Parents/Carers,

What an amazing show ahead for us. We have been rehearsing our item, as well as, the mid-show finale and the show finale. Absolutely awesome choreography with some tricky arm movements but our dancers are enjoying them.

If dropping off/picking up during the carpool sessions for Wollongong Entertainment Centre, we will meet you at the front of Francis Xavier’s church steps. These are diagonally opposite from the WEC.

Don’t forget white slip on shoes will be needed for all students as part of their two costumes.

Rehearsals and shows can run late, so please be patient and we will update you all with information on the “LHPS Southern Stars Dance – 2019 ” Facebook page. Please join the group to keep up to date with all the information about the show and running times etc.

A show week information sheet will be sent home soon.

Regards,

Mr Hurd and Miss Hunter
